The hosting club must provide:

- Toilets – around the communal areas of the shoot these must be Portaloos or permanent structures. On the course toilets may be Portaloos or tents. If a tent is used, then it must have a cassette toilet, and the club must ensure that its cleanliness is inspected regularly throughout the event.
There must be at least 3 Portaloos or permanent flushing toilets provided.
- Catering – the committee appreciated that employing caterers can be difficult because of rising costs. If clubs are let down by caterers, then they must advertise this to those attending via STB and contact the Secretary who will email regions.

- Signage – sufficient signs to direct competitors to the shoot.
- Marshalling – the club/region must provide adequate marshalling with not less than 3 marshals present at any time.
- Stats – the regions must provide all administration for the event. To include, lane allocation, booking in and writing scores to provided spreadsheet.

ADVISORY:

Parking should be adjacent to shoot area.

If parking is not secure, then signs to that effect should be displayed.
